Each RBS Collection features specially designed pre-cut kits. These packaged gems are a fabulous item for those beginner and short-on-time quilters. Display these along with bolts of the collection to offer project inspiration and encourage add-on yardage sales.

Everglades

by
NEL WHATMORE

There is beauty in every bloom. An explosion of life, filled with color. One of nature's greatest gifts, a flower can brighten up even the most dreary day. Nel Whatmore captures this with the stroke of a brush. A celebrated artist and designer, she is known for her floral paintings and abstracts. Her work evokes many emotions, and inspiration to express ourselves.
