2. Lay the top row of half rings on the J rectangle, starting 1/4" from the left short edge. Flat edges of half rings should rest on the folded center line and curves should just meet. Fuse in place. Repeat with the bottom row, starting 1/4" from the right short edge.

3. Position half circles on the half rings, overlapping the half rings approximately 1/4". Fuse in place.

4. Use a zig zag or other decorative stitch to secure applied half circles and half rings in place.

RUNNER ASSEMBLY

1. Measure the runner through the center of the long side. Trim (2) 1-3/4" x WOF E strips to this length. Matching centers and ends, pin and sew to the long sides. Measure the runner through the center of the short side. Cut (2) strips this length from the remaining E strip. Matching centers and ends, pin and sew to the short sides.

2. Sew (3) 3" x WOF G strips short ends together. Measure the runner through the center of the long side. Cut (2) strips to this length. Matching centers and ends, pin and sew to the long sides. Measure the runner through the center of the short side. Cut (2) strips this length from the remaining G strip. Matching centers and ends, pin and sew to the short sides.

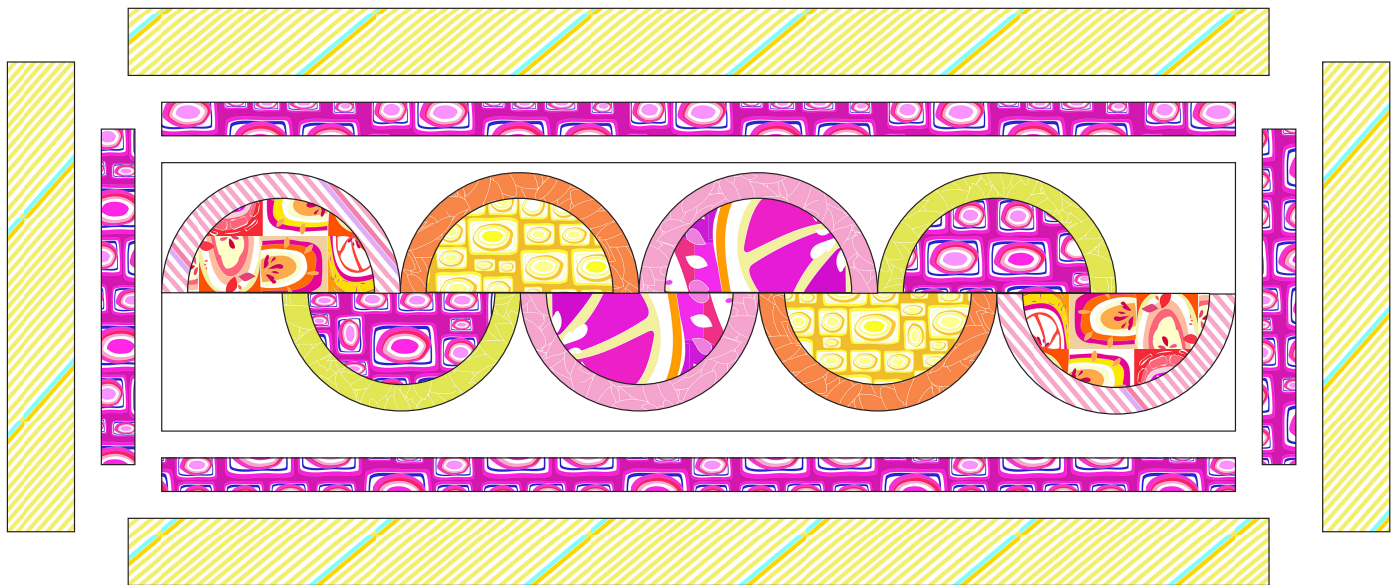

FINISHING
